<u>Pediatric CPR, AED & First Aid</u>	\$50	\$16.5	\$66.5

*All courses are taught by American Heart Association certified instructors and fulfill state requirements for most medical and social service employees. American Heart Association certification card included in course cost when applicable.

*Courses are completed in 2 stages. Students complete online portion directly through American Heart Association online at shopcpr.heart.org and finish with onsite training and skills testing.

*Cost includes instructor travel to office location. Additional cost may be added for out of region travel.

* For groups larger than 15 students please reach out for accommodations.

* Enroll 12 or more students and a 10% group discount applies.

* Full refund available up to 72 hours before the start of class. 60% refund available up to 24 hours before class. Less than 24 hours' notice will be determined on case-by-case basis.

* Contact us at 253-313-6294 for information on special group rates and custom classes.
